Bluewater Energy Solutions Awarded Startup and Commissioning Services by DCO Albany Energy LLC for the AGE Biomass CHP Project in Georgia.

For Immediate Release

Bluewater Energy Solutions is pleased to announce it has been awarded a contract to perform startup and commissioning services for the AGE Biomass CHP project located in Albany, Georgia.

Construction is underway at AGE Biomass CHP. The new 50 MW biomass facility will help power one of Procter and Gamble Co.'s facilities. The facility is a cogeneration plant supplying steam to P&G and generates electricity for Georgia Power.
