Bluewater Industrial Cleaning Services, LLC (BICS) Awarded Pre-Commissioning Services for ARB, Inc. Glenarm Repowering Project.

For Immediate Release

BICS is pleased to announce it has been awarded a contract to perform the following pre-commissioning services at the 71 MW combined cycle Glenarm Repowering Project located in Pasadena, CA. The project is scheduled to be completed in the summer of 2016.

- GT & STG Lube Oil Flushing
- Steam Blows
- Cond/BFW/OTSG Flushing
- FG Gas Line Pigging & Air Blows
- FG Compressor LO Flushes
- BOP Flushes

BICS offers pre-commissioning and industrial cleaning services on a complete turnkey basis or an itemized scope based on the project and customer needs. As part of our complete turnkey or itemized scope capabilities, we provide the following specific services to meet your needs:

- Continuous Steam Blows (with Wet or Dry Silencer Capabilities)
- High Volume / High Velocity Lube, Hydraulic & Fuel Oil Flushes
- Abrasive Pigging & Air Blows
- High Volume / High Velocity Water System Flushes
- Boiler Chemical Cleaning, Boilout & Degreasing
- Hydrolazing Services
- Equipment Rental and Field Technician Services (for customers who wish to self-perform the above services)
