Bluewater Industrial Cleaning Services, LLC Hires Steve Farris to Fill Operations Manager
Position

For Immediate Release

Bluewater Industrial Cleaning Services (BICS) is proud to welcome Steve Farris as the newest addition to our team. Steve will assume the duties as Operations Manager of BICS, responsible for project execution and oversight of field personnel for the business unit.

Steve joins the BICS team with over 15 years of experience in the power industry, most recently as a Consultant for various companies on commissioning and industrial cleaning projects. Before that, Steve developed and sharpened his technical abilities working within the commissioning & turbine maintenance group at Calpine.

BICS General Manager, Kevin Plourde, is thrilled to have Steve join the team. "Steve brings a positive attitude, high energy and outside the box thinking with his technical knowledge and ability."

BICS offers the following services on a turnkey basis:

- Continuous Steam Blows
- High Volume / High Velocity Lube, Hydraulic & Fuel Oil Flushes
- Abrasive Pigging & Air Blows
- High Volume / High Velocity Water Flushes
- Boiler Chemical Cleaning, Boilout & Degreasing
- Hydrolazing Services (*subcontract*)
- Equipment Rental and Field Technician Services

For more information, please contact Kevin Plourde, General Manager at 678-594-2058
