BLUEWATER ENERGY, INC – 2013 GLOBAL IMPACT AWARDS FINALIST

Metro Atlanta Chamber Honors Global Business Excellence, International Business Leaders at 2013 Global Impact Awards.

Bluewater Energy was selected as a finalist for the Trade category by the Metro Atlanta Chamber. The Trade category recognizes a company that has operations in metro Atlanta and has exhibited significant growth in terms of capital investment and high quality job creation as a result of international trade, community leadership and sustainable practices. Award finalists and winners were honored at an April 24 luncheon event at the Georgia Aquarium. “We are pleased to honor and recognize such an outstanding list of companies and international business supporters this year with our Global Impact Awards, said MAC President Sam A. Williams. “Global business is a key driver of economic success for metro Atlanta and we applaud the outstanding achievements of these bright, innovative and successful leaders.”

Bluewater Energy provides focused technical services to the energy and industrial marketplace from facility or program conception, startup and commissioning to long term operation. Bluewater understands your business and provides strategic solutions that give you a competitive advantage.
