## Bluewater Energy, Inc. Hires Kevin Plourde to Fill General Manager Position

For Immediate Release

Bluewater Energy, Inc. is proud to welcome Kevin Plourde as the newest addition to our staff. Kevin will assume the duties as General Manager of Bluewater Industrial Cleaning Services (BICS), overseeing the P & L and day to day activities for the BICS business unit.

Kevin joins the BICS team with over 20 years of experience in the power industry, most recently as a Project Manager for Bluewater Energy Solutions. Before that, Kevin cut his teeth working within the commissioning group at SNC Lavalin where he worked his way up to the role of Commissioning Manager.

Bluewater Energy, Inc. President, Perry Novak, is excited to have Kevin as a member of the team. "His experience, technical knowledge and excellent reputation in the industry will help drive BICS to be a market leader in pre-commissioning services."

BICS offers the following services on a turnkey basis:

- Continuous Steam Blows
- High Volume / High Velocity Lube, Hydraulic & Fuel Oil Flushes
- Abrasive Pigging & Air Blows
- High Volume / High Velocity Water Flushes
- Boiler Chemical Cleaning, Boilout & Degreasing
- Hydrolazing Services (*subcontract*)
- Equipment Rental and Field Technician Services

Bluewater Energy provides focused technical services to the energy and industrial marketplace from facility or program conception, startup and commissioning to long term operation. Bluewater understands your business and provides strategic solutions that give you a competitive advantage.

For more information, please contact Perry Novak, President at 678-594-2058
