Bluewater Energy Solutions Awarded Startup and Commissioning Services for Chesapeake Utilities Corporation's Eight Flags, LLC project.

For Immediate Release

Bluewater Energy Solutions is pleased to announce it has been awarded a contract to perform startup and commissioning services for the Eight Flags, LLC facility located in Fernandina Beach, FL.

Construction is underway at Eight Flags, LLC. The natural gas fueled plant will generate 20 MW of base load power and generate steam for sale.

Bluewater Energy Solutions is excited to work with Chesapeake Utilities Corporation. The Eight Flags, LLC facility will bring Chesapeake Utilities customers reliable, environmentally friendly electricity.
